STAT

After our telephone conversation today, I looked up the personnel record of your daughter and found that she applied for a Reports Officer position for which our personnel people stated she did not have sufficient qualifications. However, they offered her a Clerk-Stenographer position, CAF-4, which she declined on 4 May 1949.

STAT

A  called our personnel people today, and, when the above was explained to her, she asked if she could initiate action on the CAF-4 job for your daughter. Our personnel people stated that it would be necessary to receive this request from the applicant.

I hope this will give you the information which you desired.

Very sincerely,

Signed & dispatched 5/18/49
